

# Laptop Assurance Program

**Let Us Make It  
Work For You!**

**You Service the Vehicle...  
We'll Service Your Technology  
Infrastructure**

Increase your computing performance with today's most advanced laptops that meet the latest GM requirements. With the CapriCare Assurance Service Program you get a Certified GM approved laptop, remote service support, antivirus software, and the assurance that your technology will always meet GM requirements.

**OEM  
APPROVED!**

Should requirements change, we will ship you a new device at no additional charge. Also, if your laptop becomes damaged, we will ship a new unit at no additional cost to ensure you are still able to meet your customers needs.

## **What's Included in the Program**

- Approved GM Laptop PC
- Capricare Service Program
- System Upgrade Program
- MDI and Tech 2 Application Support
- Installation & Integration Services
