

# Print Fleet Management

Upgrade your printers  
to the latest Xerox technology!

Save 30% or  
more on printing  
expenses!

**You Service the Vehicle...  
We'll Service Your Technology  
Infrastructure**

Capricare Print Fleet Management Programs have been providing service to businesses for over 15 years and now have a program specifically designed for GM dealers. This program was developed in an effort to reduce print expenses and increase productivity within your organization.

## Features

- Print customizable ads at a fraction of traditional print costs
- Improve document production and management processes to increase productivity and satisfaction
- Lower cost of ownership, and increased ROI
- Turn printer acquisition from capital expenditure to an operating expense
- Single payment for equipment, installation, maintenance/ support and supplies

Printer Comparison	Old Printer	Xerox Multi-Function Technology
Cost B/W / Page	\$0.09	<b>\$0.02</b>
Cost Color / Page	\$0.18	<b>\$0.07</b>
